PROFESSIONAL EXPERIENCE

Disbursement Analyst Intern

Moneyboxx Finance Ltd | June 2025 - August 2025.

- Led write off case negotiation alongside State Head with a third party agency closed deal at 18% commission, reducing cost below industry benchmark (20%) and agency demand (22%).
- Spearheaded document verification, E-NACH mandate setup, and foreclosure procedures streamlined disbursement workflows and reduced pending file processing time by 55%.
- Collaborated with Central Credit Ops (CCO) to expedite legal and technical property clearance, ensuring faster loan sanction turnaround.
- Enhanced operational efficiency by revamping ONCT reporting and register maintenance (cash flow, locker, courier, complaints, visitors), enabling better audit readiness and transparency.

Business Analyst (Payment Gateway)

The Swipewire Technologies | March 2023 - June 2024.

- Led requirement gathering and business analysis for integrating UPI, Net-banking, and Wallet payment solutions across B2B merchant platforms.
- Spearheaded the onboarding of 50+ enterprise clients including Dream11, Nykaa, and Startups for payment gateway services.
- Liaised with banks, aggregators, and clients to streamline payment operations and ensure real-time compliance with RBI guidelines.
- Defined business rules for fraud detection systems, resulting in a 22% drop in chargebacks.

Technical Sourcer

Collabera Inc. | January 2022 - February 2023.

- Sourced and engaged top tech talent via LinkedIn and other platforms.
- Screened candidates for technical fit and built strong talent pipelines.
- Collaborated with hiring managers on role requirements and priorities.
- Managed ATS updates and tracked sourcing metrics.
